A little about block days : Block days have the same school hours (7:25-2:14), but have a different bell schedule. Wednesdays will be period 1, 3, and 5; Thursdays are 2, 4, and 6. This allows for longer class periods and conference time. Many teachers will use the longer periods for things like testing, science labs or longer writing projects. Conference is about 25 minutes at the end of periods 1/2 on block days. This time is used for many club meetings and students may also get tutoring/help from another teacher during that time. Passes are required. If you do not have a reason to leave your class during conference, you will stay in your period 1/2 class. Since there is no 4th hour on Wednesdays, your lunch schedule will be based off of your 3rd hour teacher once block days begin.
