

WELCOME TO BOGLE JUNIOR HIGH!

The junior high course selection process is already under way. In the very near future, Bogle representatives will be visiting our feeder elementary schools to distribute course catalogs and course selection information. Course selections for incoming 7th grade students will take place the end of January.

If your student is a sixth grader, attends one of our feeder schools and lives within the Bogle boundaries there is no registration required, relevant records will roll over to Bogle.

Open Enrollment Begins February 13, 2014

Students awaiting approval for a boundary exemption cannot register until the exemption has been approved. Once it has been approved contact our front office at 883-5524. Current Junior High Boundaries are available online at [Chandler Unified School District](#)

Bus transportation is provided for students that live more than 1.5 miles from school. The district does not provide transportation to open-enrollment students.

New to our area?

If your student is new to Chandler Unified School District, you will need to complete a new student registration packet. When you register, you must bring all of the following:

- State- certified birth certificate
- Immunization record – **please note if you are coming from another state you will want to check that your student has received a T-Dap and Meningococcal (Meningitis) vaccine, these are required by Arizona State law to enroll in public school.**
- Most recent report card from previous school
- Proof of address (only utility bill or purchase/lease contracts showing physical address of the home in the name of the parent)

Tours and other important dates

- Parents/Students may tour our campus by appointment ~ contact Dawn Norstrom 480-883-5524.
- **January 16th from 6-8** - 6th grade student/parent orientation.
