

Transportation Request Information in Infinite Campus Parent Portal

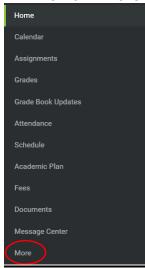

The CUSD Transportation Dept will begin collecting data from parents on whether or not they will be utilizing our bussing to transport their students to/from school (if eligible).

New to CUSD families will answer the transportation question on their Online Registration Application.

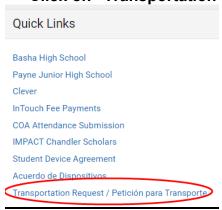

Existing CUSD families will complete the application that's explained in this document.

Existing Families

- Login to Parent Portal
- Click on "More" from the left-hand side bar.

• Click on "Transportation Request" under the Quick Links section.

Select English or Spanish.

 Read through the Transportation information, click the box to acknowledge the information, and click "Click here to proceed to the Transportation Request".

 You will be taken to a screen similar to the one shown below that will list your student(s), their eligibility status, and a yes or no button to select whether you will be utilizing the bussing system.

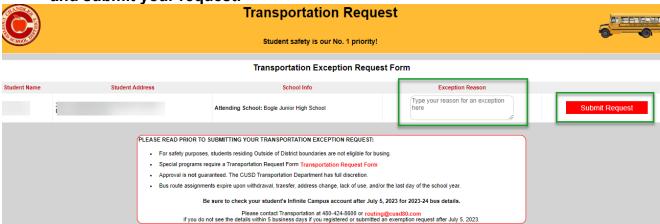

If a student is not eligible, it will display the reason why they aren't eligible
as well as provide a link for "Request Exception" if you'd like to request an
exception for transportation.

 After selecting "Request Exception", you can enter your exception reason and submit your request.

 After submitting an exception request, you can see the confirmation request with date, time, and parent who submitted the request.

Once submitted, you will not be able to change your answer. If you want to change your selection, you'll need to contact the Transportation department at routing@cusd80.com or 480-424-8600.

Exception Request Reasons cannot be changed once submitted.
