4) Click on the Strengths and Weaknesses tab to see your results. List 3 Strengths and 3 Weaknesses that your profile predicts. Do you agree or disagree with these results?

My observation is that whenever one person is found adequate to the discharge of a duty... it is worse executed by two persons, and scarcely done at all if three or more are employed there.

- George Washington

The ISTJpersonality type is thought to be the most abundant, making up around 13% of the population. Their defining characteristics of integrity, practical logic and tireless a dication to duty make IST. a vital core to many families, as well as organizations that uphold traditions, rules and standards, such as law offices, regulatory bodies and military. People with the ISTJ personality type enjoy taking responsibility for their actions, and take pride in the work they do – when working towards a goal, IST. hold back none of their time and energy completing each relevant task with accuracy and patience.

IST& don't make many assumptions, preferring instead to analyze their surroundings, check their facts and arrive at practical courses of action. ISTJpersonalities are no-nonsense, and when they've made a decision, they will relay the facts necessary to achieve their goal, expecting others to grasp the situation immediately and take action. IST& have little tolerance for indecisiveness, but lose patience even more quickly if their chosen course is
