FROM MRS. BLACKWELL

SPELLING: Students will test on list 10 this week. At their request ☺, I have been giving a bonus spelling word in Spanish (provided by Sra. Mizzi) each week. This word is not taken for a grade, but if they get it correct, they get a dojo point. Love their quest for knowledge!

MATH: We had a bench mark test on Friday and will continue with our regular Saxon lessons this week. A Saxon math test and Bell Work quiz will be given on Friday

Reading: DLI classes will continue to work on providing evidence from the text. They are learning how to use this evidence to make statements that support the answers to questions.

Writing: Students are wrapping up their first 5 paragraph essay this year about their fall break. Special emphasis is being placed on topic sentences and supporting details for each paragraph and proper paper format.

Reading/Lectura

This week students talked about their school day and activities done at school. Students reviewed the letters g and j in Spanish and when to use each one. They also reviewed and practiced time order words and expressions, such as por la mañana. Next week, students will learn about different cultural activities and hobbies. They will learn and recognize cognates.
