## What's happening?

### Class News

FROM Ms. BLACKWELL

**SPELLING:** There will not be a spelling test this week due to the short week. As you noticed, there are only 10 words on list 14 for the students to test on the week we come back from Thanksgiving.

**MATH:** This short week, we will focus on skill building division concepts. Saxon lessons will resume when we return.

**Reading:** We will practice finding evidence from the text in various passages about Thanksgiving.

**Grammar:** Catch up time and practicing challenging concepts!

### IMPORTANT DATES

- 11/21 PTO General Meeting  
6:00-7:00 pm Library
- 11/27-29 NO SCHOOL Holiday
- 12/16 grade Field Trip
- City of Chandler Environmental Education Center

### ESTUDIOS SOCIALES/CIENCIA

#### Social Studies/Science

This week students sketched a map of a presidio, then compared and contrasted it to an actual drawing of the Tucson Presidio. Students discussed and reviewed how Native American lives changed due to the migration of Spanish Conquistadors. Students worked on a poster to illustrate and use words in Spanish to show what life for the Native Americans was like before and after Spanish migration.

#### Reading/Lectura

This week students learned about animals that live in the zoo, described animals and their habitats, and learned words with c, s, and z. Next week, students will read various text about Thanksgiving and learn the Spanish words of the food that might be eaten to celebrate. We will express what we are thankful for in Spanish.

#### SPANISH WORDS OF THE WEEK

- |           |            |
|-----------|------------|
| Zoológico | hábitat    |
| llama     | naturaleza |
| cigüeña   |            |
| condor    |            |
| guacamayo |            |
| jaguar    |            |
| mono tití |            |
| zorrillo  |            |
| zorro     |            |
| aves      |            |
| mamíferos |            |
