Class News

FROM MRS. BLACKWELL

SPELLING: This week we will begin entering spelling words in our spelling notebooks. For spelling homework this week only, we will use a review list the students will bring home in their binder. Future weeks will use the lists from the spelling notebook.

LANGUAGE: We will focus on sentence structure (Subject and predicate) and 4 sentence types.

MATH: Students will continue working in the Saxon math book. As soon as all books are checked out to each student, they may leave their math books at home. They do not need them in class for the lessons. Students enrolled in Kids Express may want to bring their books each day so they can continue to complete their homework there.

Reading: We will begin reading from Journeys this week! Our first reading test will be on Friday, August 2nd.

Reading/Lectura

We reviewed vowel sounds the letter of the alphabet in Spanish. This will greatly help them decode words when reading in Spanish. We did many activities to get to know them

SPANISH WORDS OF THE WEEK

Once we begin using our textbook Descubre, I will share words that we used during the week so you may have your child talk about these words at home. Thank you for your cooperation and support.
