## ESTUDIOS SOCIALES/CIENCIA

### Social Studies/Science

This week we discussed “Me on the map”. We discussed our neighborhood, the city we live in, the state we live in, and we are all part of our Earth. We created a booklet with details of each.

## What's happening?

FROM MRS. BLACKWELL

**SPELLING:** This week we will begin entering spelling 20 new words into our spelling notebooks. For spelling homework this week only, we will use list 1 in their spelling books. Students will test on their list 1 words on Thursday.

**LANGUAGE:** We will focus on sentence structure (Subject and predicate) and 4 sentence types (Declarative, Interrogative, Imperative and Exclamatory).

**MATH:** We took our first Saxon math test this Friday! Keep an eye for those to come home in the Weekly Folders next week. We will continue with the Saxon math lessons, covering review concepts from 3<sup>rd</sup> grade math.

**Reading:** We will start a new Journey's story this week, The Trial of Cardigan Jones. The focus skill will be using details in a story to draw conclusions.

## SPANISH WORDS OF THE WEEK

### Reading/Lectura

We continue to review vowel sounds and the letters of the alphabet in Spanish. This will greatly help them decode words when reading in Spanish. We practiced a variety of greetings and goodbyes in Spanish and identified themselves as part of their greeting. Next week, we will learn how to introduce family members.
