

Strive for the impossible, and be extraordinary!

Dear Knights,

May 5, 2017

Our librarian would like your help with getting any unused library books returned to the library. The process to ensure that we have all of our text books and library books at the end of the year can be time consuming. Please help us ensure that our library books are returned when they are finished being read.

Thank you to all of the parents who came out and supported our band and orchestra students on Tuesday. Our students are second to none when it comes to our music programs. I know how much they appreciated you being there and cheering them on.

May is an extremely busy and exciting time at ACP Oakland. On Wednesday, May 10th, we celebrate all of our fine arts and science fair winners with the Knight of the Arts. It is a wonderful event and helps illustrate that our students shine in every academic area possible. Students work will be on display in the gym, the band and orchestra will play under the Ramada, ACP-O live! Our drama club will perform in the cafeteria, and room 9 and 10 will have our science fair projects. We will have Waffle Love food truck and Kona Ice there to provide food. Everyone is invited, so please bring the whole family!

We are currently working on inviting a Holocaust survivor as a guest speaker to come and speak to our students. We are in the process of confirming times for May 16th. Once they are confirmed we will let you know so that if you wish you can attend too. These brave individuals have a valuable story to tell. We hope that you take the opportunity to hear from a firsthand survivor, so that history isn't repeated.

The ACP Oakland 8th grade semi-formal dance will be held on May 19th, 2017 and will run from 6:30 pm to 8:30 pm. Tickets go on sale Monday, May 8th at lunch. Tickets are \$20 per student. It should be a great dance. Please remember that we hold our students to a high standard when it comes to their dress on campus, and our 8th grade semi-formal is no exception. I know that several students are already looking for that perfect dress, tie, and / or shirt. Please be aware that student's attire for this dance should reflect modesty. Dresses should be an appropriate length (*no higher than 2" from the knee*) and must have straps. Boys should wear a collared shirt and either a bow tie, or neck tie along with slacks (*no jeans*). If you have questions, please do not hesitate to ask.

*Strive for the
impossible, and be
extraordinary!*

The 8th grade Awards Ceremony will be held on May 24th at ACP Erie. If you haven't submitted a photo of your 8th grader as a child, please submit it as soon as possible so they are not excluded from the slide show. Photos may be submitted electronically to Photos@ACPOakland.com or Mitchell.Douglas@cusd80.com.

Tickets for the 8th grade Awards Ceremony were sent home with your student today. Please be sure to collect them from your student as we do not have replacement tickets should yours be lost. Due to space limitations, we are unable to admit entrance to those without a ticket. As a reminder, students should dress in professional attire for the ceremony. Please no jeans or shorts and modesty rules apply for both boys and girls.

This week also ended teacher appreciation week. Our teachers go above and beyond each day. We have teachers that provide opportunities to give back to our community through Pay It Forward, NJHS, Student Council, and Hartford Tutoring. Our teachers provide opportunities to show how rich their curriculum can truly be through Math, Spanish, Painting, Sports Adventure club, STEM, and Robotics, Speech and Debate, and Newspaper clubs. I appreciate the teachers who take the time to coach, tutor, make personal connections, and talk to student about their interests. I appreciate the teachers who arrive early, leave late, work at home, and on the weekends. Here is to the teachers who come to my office and say I have this crazy idea to do I appreciate teachers who meet whenever needed, set up art shows, band concerts and more. It makes me smile that every teacher is here to teach their curriculum because they love it, find it fascinating, and just want to geek out a little bit about English, Science, Math, World Languages, Social Studies, and electives. Thank you to the teachers who start clubs simply because the students want them and ask for them, clubs like card club, water bottle flipping club, Quid ditch, and Go club. Thank you for the teachers who attend dances, actually get down and dance at dances, and sometimes even sing at dances. Thank you teachers for all that you do!

Sincerely,

Jayson Phillips
Principal – ACP Oakland

Arizona College Prep - Oakland Campus

Upcoming Events: May 8 thru May 12 2017
