

*Strive for the
impossible, and be
extraordinary!*

May 19, 2017

Dear Knights,

The year is coming quickly to a close. Please make sure that all students have their library books turned into the library ASAP.

Congratulations to our new PTO Booster elected officials.

2017-2018 PTO Board:

President: Adriane Keene

Vice-President: Michele Grisez-Redmond

Treasurer: Susan Waite

Secretary: Divya Marwaha

The last booster club meeting of the year is Thurs., May 25th at 6:30pm in the cafeteria. We hope to see you there.

The students in the yearbook class are pleased to announce that the yearbooks will be distributed on Thursday, May 25th during the last 30 minutes of school. If your student purchased a yearbook, they will pick it up in the gym during that last part of the school day.

Our students did such an outstanding job on the Spanish National Exam that we are having a special celebration during lunch on Tuesday, May 23rd. The kitchen staff will be serving a Spanish themed lunch. The cafeteria will be decorated and will even have some special guests. We are so proud of our Spanish program at ACP. If your student would like to participate in our special lunch the cost is \$2.85. They can pay with their lunch account in addition to paying in cash. Students will need to pre-order lunch during academic lab on Monday to ensure that we have enough food for every student. I hope that everyone takes advantage of this fun filled event.

This week we were pleased to have a Holocaust survivor, Oskar Knoblauch, visit our campus and give a presentation to our student body. He shared a valuable message about not being a bystander, that instead you should be an up-stander. I appreciate all of the family members that took time out of their day to hear the message of peace and tolerance that Mr. Knoblauch shared with our student body. Mr. Knoblauch has written a book in which he shares the details of his life during this time. The cost of the book is \$12 dollars and can be autographed to you or your student. If you would like to order a book for yourself or your student please fill out the link below and bring \$12 in cash by Wednesday May 23rd, to the front office. Books should be delivered by Friday or Tuesday.

[Please fill out the link to order your copy. Only orders that have been paid by Wednesday will be placed.](#)

*Strive for the
impossible, and be
extraordinary!*

We have already been busy gearing up for the 2017-2018 school year and we want to take a moment to remind all students who will be returning to ACP next year, to get their sports physicals taken care of as soon as possible. First quarter sports tryouts start the second week of school and students are not allowed to participate until they have been cleared for athletics. First quarter sports are: Boys Baseball, Girls Volleyball, and Flag Football.

As I am writing this Around the Realm, parents are hard at work transforming our gym into a place fitting of our 8th Grade Semi-Formal. I want to thank the Boosters and parents who helped make this event a success. The time and effort that you took to make this a special night for our students has not gone without notice. Thank you!

Next week we have several celebrations including our 8th grade awards night. Just a reminder that our Awards Night, takes place at the Erie campus in the Gym. You must have a ticket to enter the event. We look forward to seeing you at 6:30pm on May 24th!

Good luck Knights!

Jayson Phillips
Principal – ACP Oakland

Arizona College Prep - Oakland Campus
