

*Strive for the
impossible, and be
extraordinary!*

May 19, 2018

Dear Knights,

It is hard to believe that the year is almost over. This week we were surprised by the Chandler Chamber of Commerce and Dr. Camille Casteel and awarded the educator of the year award to our very own Ann Marie Filiere. We have an outstanding staff at ACPO. We are glad that they are being recognized for all of their hard work.

I wanted to thank all of the parents who attended our parent book study of *Moments* by Dan and Chip Heath. I always appreciate sitting down with our families and discussing a book that has the power to influence our students, staff, and ourselves. Thank you to Mr. Alcala and Mrs. Grimes who invested their time into making this event successful.

We had music concerts this week. Our 7th grade soccer team had a hard-fought battle. In the end, the game was decided by multiple rounds of penalty Kicks. They played with true grit. We are proud of you!

Last night, was our 8th grade semi-formal. Thank you to the boosters for working so hard on making this a special event for all of our 8th graders. Next week we have our 8th grade awards night. Our 8th graders need to arrive at the CCA by 5:45 pm. The doors will open at 6:00 for families and do not forget your tickets for entry.

The money earned next year from our Box Tops for Education program will be Box Tops for Books! All of the earnings will be used to purchase new books for the ACP-O library. Exciting! Did you know if every student at ACP-O turned in *just 20 Box Tops* during the school year, we could use the money earned to purchase about 75 new, hardcover books for the library? It is so easy! Please remember to clip and save this summer. There will be contests and prizes for the classrooms with the most Box Tops turned in next year!

Sincerely,

Jayson Phillips
Principal – ACP Oakland
