impossible, and be
extraordinary!*

August 24, 2018

Dear Knights,

Thank you all for another great week at ACPO. Tuesday's early release day proved a productive one as students attended every class for about 35 minutes. Thank you to all who visited for parent teacher conferences. For those who did not come to a conference, our conversations revolved around the supports we provide, which are available to all kids. We continue to see education as a partnership so that we can together help our students face challenges with support and understanding. If you ever would like to sit down with your child's teacher, please call or send an email to set up an appointment.

Thank you ACPO Boosters!

Our teachers enjoyed a wonderful lunch on Tuesday thanks to our amazing ACPO Boosters. Pita Jungle is a staff favorite! Please visit the ACPO Booster Facebook page for more ways to support the cause!

Box Tops

Our box top competition is going strong. Please send them in with your student. All students should turn them in to their student 1st period class!

Transportation and Traffic

If your student takes a bus and is dropped off at another school, please remind them that they cannot walk around or through those campuses as they are usually still in session.

Parent pick-up and drop-off has definitely improved but we are still working with the powers that be to find ways to help keep our students safe after school. We have begun allowing students to walk to you, as long as they are quickly loading the car. The property across the street prohibits parking during the week. Park at your own risk. Also, please note the "No U-Turn" signs on California Street. Be safe out there! Thanks to all who smile and wave in the am and pm. It is a small gesture but I definitely appreciate starting and ending my day with positive energy!

Backpacks

I have noticed more and more rolling backpacks on campus, which is awesome. Our teachers consistently communicate materials needed for classes, and students can always ask. Unfortunately, we do not have lockers at ACPO so bags may get heavy. Talk with your child and feel free to email specific teachers for clarification. Some students choose to carry more than needed. I know my 5th grader does. I endorse the roller bags though!

Pick up after school

Classroom phones can always be used (*between classes*) to call home when students need to stay after school. We also have a phone in the office that students can use during passing periods or lunchtime. No problem!

Sincerely,

Tony Alcala
