

Strive for the impossible, and be extraordinary!

December 1, 2017

Dear Knights,

It's hard to believe that it is December already. It seems like this semester just started, and now we are looking at closing out 2017 and moving forward into 2018. One of the steps of this process is preparing our students for semester finals. Please remember that **we do not provide semester finals early**. Also, please make sure your student is not absent, tardy or picked up early on the dates of finals which are December 20th & December 21st.

The semester grade is the most important grade students receive. Semester grades are calculated based on 40% first semester, 40% second semester, and 20% for the semester final. Developing a plan to help students study for semester finals and implementing that plan early is essential for student success. Earlier this semester we had student review the grade calculator 3000 program during academic lab, to help them determine how the final will impact their grades. Full disclosure, the Grade Calculator 3000 is just a glorified excel sheet, but that doesn't diminish from its incredibly futuristic name and power to help students prepare for finals. [The grade calculator 3000 can be found by clicking here.](#) I have made a video to help you use the grade calculator. [Click here to see the instructional video on how to use the grade calculator 3000.](#)

Recently your students received a blue tax credit form that explains how you can donate your tax credit donation to ACP or any Chandler School. Tax credit donations can be targeted towards specific programs, students, or the school. We hope that you decided to make your tax credit donation to ACP. [Click here for information on how to make a tax credit donation to ACP.](#) Your generosity is greatly appreciated.

We still have CEF tickets available in our front office. Tickets are 20 dollars apiece. The winner will have a choice between \$20,000 in cash or up to \$27,000 towards the purchase of 2018 Toyota vehicle of your choice. The raffle drawing will be held on January 21, 2018.

Early-Bird Raffle will take place on December 12th.

- Beats Solo 2 Headphones
- Element 50" LED HDTV
- Deluxe Home Office Package
- Gaming System
- Various Giftcards - \$50 - \$100

In addition to these there will be many more prizes in excess of \$2,000. Don't delay, buy your ticket today!

Finally, I know we have talked about the National Blue Ribbon until we were "Blue" in the face. I couldn't resist. I wanted to tell you about a very cool addition that has arrived in our office. When we found out that our school was selected to receive this prestigious award, Tami Kaiser called Senator Flake's office to request that the flag that was flying over the Capital building on the day we received our award could be sent to ACP-O. This week, we received that flag with a certificate of authenticity. We are in the process of getting it placed in a display so that everyone can enjoy this very special gift. Thank you, Ms. Kaiser for taking the time and effort to bring a little bit of history back with us from Washington D.C. We would expect nothing less from a history teacher of your caliber.

Sincerely,

Jayson Phillips
