Strive for the impossible, and be extraordinary!

Dear Knights,

Congratulations are in order for several Spanish students from ACP Oakland who attained national recognition for excellent performance on the 2018 National Spanish Examinations. Students from ACP Oakland earned 18 gold medals by placing in the top 5% of the nation, 44 silver medals for placing in the top 6-15% of the nation, and 53 bronze medals for placing between 16-25% of the nation along with many many honorable mentions for placing in the top 50% of nation. "Attaining a medal or honorable mention for any student on the National Spanish Examinations is very prestigious," said Kevin Cessna-Buscemi, National Director of the Exams, "because the exams are the largest of their kind in the United States with over 150,000 students participating in 2018."

Students from ACP Oakland have a history of high achievement on these exams and are taught by our amazing Spanish teachers: Dana Oliden, Jennifer Betlach, Heather Orr, Diane Loff, and Esteban Ruiz.

The National Spanish Examinations are administered each year in grades 6 through 12, and are sponsored by the American Association of Teachers of Spanish and Portuguese.

I have been ask by the administration of CTA Liberty to please reach out to our parents who drop-off and/or pickup their kids from CTA Liberty. Please do not block their entrances. In the morning, staff members from CTA Liberty are not able to enter the parking lot. In the afternoon, parents of CTA Liberty students cannot get into the parking lot to pick up their students. Please pull forward, toward the front office when letting your students out. Also, ACPO students need to use the crosswalk when they are on CTA Liberty's campus, not just randomly walk across the parking lot where cars are still coming and going. Please remember that we are guests on their campus and we should behave accordingly.

The booster club has asked me to add the following announcements:

Ticket sales for the 8th Grade Semi Formal have been extended through lunch on Monday, May 14, 2018. **No tickets will be sold at the door!** So please make sure your student has their \$20 to purchase their ticket on Monday.

Volunteers are still needed at the 8th Grade Semi Formal! Opportunities are available for parents, guardians and high school students! Please sign up at: <https://www.signupgenius.com/go/10c0548a4a82daaff2-acpo6>.

A huge thank you to all those who contributed food, gift cards, etc. to the school for Teacher/Staff Appreciation week! We couldn't have done it with you! Pictures are posted on our Facebook page: <https://www.facebook.com/ACPOBooster>.

Parents, per district policy, we do not allow food deliveries for students from food delivery services such as Jimmy Johns, Uber Eats, or Grubhub. Any food deliveries will be rejected by the school even if they have been prepaid. This is a security issue for our students. Thank you for helping keep our students safe.

We have had a busy week with events that had to be shifted due to our school being closed. The last event that had to be moved is our parent book study. We hope that you can attend on the new date. The book study will now be held on Tuesday, May 15th at 7:00pm in the media center. We will be discussing the book *Moments* by Dan and Chip Heath.

Sincerely,

Jayson Phillips
