AFJROTC MEDICAL FIELD DAY

Thirteen CHS AFJROTC cadets attended Basha AFJROTC's Medical Field Day. The event was fantastic with all cadets learning basic lifesaving procedures like splinting fractures, stopping bleeding, treating for shock, CPR and victim transportation. Instruction was provided by Air Force Medical Technicians, Army Combat Medics and the Chandler Fire Department. After completing classroom instruction and having lunch, cadets were taken out to a scenario-based event where they were required to provide first aid and utilize victim transportation. All of this was done in a stressful environment due to obstacle courses and VERY vocal encouragement provided by other ROTC Instructors, Army Medics and of course the Marines. Drama Club students provided "very" realistic casualties.
