LINK CREW MAKING CONNECTIONS WITH FRESHMEN

"Freshmen, what would you do for an ice cream bar?" This was the question CHS Link Crew members asked of freshmen during lunch last Wednesday. Freshmen and Link Crew members participated together in fun activities such as piggyback races and the Chicken Dance. Link Crew's purpose is to engage freshmen in school activities, contributing to a positive transition to high school for our newest Wolves.

ECAP UPDATE

The Arizona Department of Education requires all students to have an Education and Career Action Plan (ECAP). Chandler High School uses Kuder Navigator to help students explore career options and make connections between coursework and the world of work. Students are introduced to portfolio development and course planning. Kuder Navigator also provides guided exploration through a Career Planning Timeline, and it allows parents to play an important active role in their student's planning process. Counselors will be working with students each year to complete a portion of their ECAP. You can view your child's ECAP at <http://www.cusd.kuder.com>
