Approx. 7:00 PM – Stop in Blythe for dinner – students need money

Approx. 11:00 PM – 11:30 PM – Arrive at Basha High School at tennis courts

Notes:

- Student can bring cell phone, however there is no reception on the island. There is a pay phone. It is helpful to call when we get back in town on Sunday night.
- Spending money is useful. There is a souvenir shop at CIMI. Students will absolutely need dinner on Sunday night.
- No medications will be given unless specified on the health form. Pack Dramamine if sea sickness is an issue.
- If your student is asthmatic, they **must** carry their inhaler to CIMI. If they do not have it, they will not be able to do any of the snorkels. CIMI is very strict about this.
- We room in dorms. The doors do not have locks, so it is not recommended that your child bring valuables (iPods, etc). If they do, bring locks for the suitcase.
- Students like to bring snacks. It is OK, however, the ants on the island love them, too. Please seal them in Ziploc bags to keep ants away.
- Emergency phone numbers:
 - o Mike Davitt – (480) 332-5837
 - o CIMI – (310) 510-1890
