**Continuing students needing their college ID number go to my.maricopa.edu.
Under Technical Help click on Reactivate MEID.**

1. Create Your Student Admissions Application (For students new to dual enrollment only)

Go to admissions.maricopa.edu and click START NEW APPLICATION. Follow the instructions to create your Log In (MEID) Account. At the Welcome to the Student Admissions Application click GET STARTED.

Once you have completed the Student Admission Application you will be prompted to submit ID paperwork. Choose SUBMIT AS E-FORM OR IN PERSON. Click OK on the pop up to skip ID verification. You will be submitting ID documentation with your registration form. Once you have completed the application process you will be asked to choose a new password (you can use your current password). Once you have created your log in (MEID) save your MEID, Student ID number and password for future use.

2. Take the Placement Test

Math and English Composition courses may require a college placement test. Other courses may require a reading placement test.

Testing may be offered at your high school or come to the CGCC Testing Center. Visit cgc.edu/testing for sample test questions by clicking Placement Testing.

3. Fill out Financial Responsibility Form

Fill out a Maricopa Community Colleges Financial Responsibility and Consent for Students Under the Age of 18 form for each semester your student will attend and turn in with registration form.

4. Submit Registration Form, Financial Responsibility Form(s) & Identification (Check with your teacher for due date)

Turn in signed Dual Enrollment Registration Form. New to Dual Enrollment students will need to turn in valid ID documents (see below).

NOTE: If unable to submit an AZ drivers license, permit, state ID or U.S. Passport, then submit a copy of your high school ID **AND** birth certificate (a hospital record/certificate and certified Abstract of Birth are **not** acceptable).

5. Pay Tuition and Fees

The cost is \$86 (in-state) per credit plus a \$15 registration fee per semester. Payment options:

- Online at my.maricopa.edu *
- In person at the Pecos or Williams Campus
- By phone at 480.732.7312. College Student ID number required.

***Payment plans must be renewed each semester and includes a \$20 sign up fee each semester.**

Registration and payment must be received by Sept. 18, 2017 for fall classes and Feb. 12, 2018 for spring classes or students will be automatically dropped. **No refunds will be issued after these dates.**

Things to keep in mind:

To drop, add or change a class email dualenrollment@cgc.edu with your Student ID number, high school, and state your request or visit the college. **NOTE:** High school staff are not responsible for communicating class changes.

Please forward your Maricopa email to an email account that you regularly check. Go to google.maricopa.edu and click on Forward your Email.

Check your Message Center, class schedule and payment information (in your Student Center) frequently by logging on to my.maricopa.edu and click on Student Center.

Dual Enrollment Frequently Asked Questions

What is dual enrollment?

It's an opportunity for eligible high school students to earn lower-division college credit during their regular high school classes. The credits are treated the same as regular college credit, and are transferable to other Maricopa Community Colleges, Arizona's state universities, and many out-of-state colleges.

What are the benefits of dual enrollment?

Since you're already in the class, why not get college credit for it? You can also save money through community college tuition rates and having your textbooks provided by your high school.

Who is eligible to enroll?

Dual enrollment students must be attending a participating high school and meet the general eligibility requirement of meeting proficiency on the AZMerit or PSAT 93 or SAT 930 or ACT 22 or completion of the Reading Accuplacer test. English and math classes require a qualifying placement test score.

What if I don't pass the placement test?

You can take the placement test again 24 hours after the original test. A third test is allowed no sooner than three months from the oldest test date. A fourth test will only be allowed two years after the oldest test date.

How much does dual enrollment cost?

The in-state, in-county tuition rate is \$86 (in-state) per credit hour. There is an additional \$15 registration fee per semester for each college you do dual enrollment through. (Tuition is subject to change.)

What if I don't want to do dual enrollment after signing up, or I change my schedule?

It is the student's responsibility to drop the class through one of the following methods:

1. Email the Dual Enrollment office at dualenrollment@cgc.edu with your name, college ID number, high school, and the class you want to add, drop, or change.
2. Come in person to the Coyote Center at our Pecos campus and submit a drop/add form.

Only classes dropped before the semester payment deadline will remove tuition fees or initiate a refund for tuition already paid. Dropping a class after the semester payment deadline will result in a grade of W on your transcript, and you will still be responsible for paying tuition, or be ineligible for a refund if you've already paid tuition.

What happens if I don't pay tuition?

Failure to set up a payment plan or pay tuition by the semester deadline will result in students being automatically dropped, without notification, from class(es).

How do I forward my Maricopa email?

Students are responsible for a communication sent to your Maricopa email. You can forward your Maricopa email to an email account you frequently check. Go to google.maricopa.edu and click on Forward your Email.

What's the difference between my MEID and my college ID number?

Think of your MEID (User ID) as your user name to access online services with the college. You'll use this to log in to my.maricopa.edu and access your student email. Your college ID number is used to identify your unique student account when corresponding with college staff.

I forgot my MEID (User ID) and college ID number. How do I find them?

For your MEID go to my.maricopa.edu. Click on Reactivate MEID.

For your college ID number: go to my.maricopa.edu, click the Student Center icon, then log in with your MEID (User ID) and password. Scroll down to the Personal Information section, and click "Demographic Data". The first item listed next to ID is your college ID number.
