

Student Computer Logins/Access

Username: **S + ID#** (example: S12345)

Password: **s + ID# + !** (example: s12345!)

Students will be prompted to change their passwords upon initial login. Password requirements:

- 8+ characters
- Combination of uppercase, lowercase, & numbers
- Can NOT contain first/last name or ID#

Upon logging in to a school computer for the first time, students may log in to Infinite Campus. **Use the NEW login information that was just created to also log in to IC!**

Sign up for self-service application! This allows students to reset their own passwords in case they forget them. The other option is for the teacher to complete a CSR to have the HelpDesk reset it.
