

4th Grade Reading Contract
Book Report – Create a Book Jacket!

September 20, 2019

Your book report assignment will be to create a book jacket using the attached directions. The book may be from any genre you choose. It must be at least 80+ pages and of an appropriate reading level.

The book jacket should demonstrate your understanding of the book, creativity and quality work. *(Book jackets that are incomplete, sloppily assembled and unedited will be graded to reflect that.)* The final copy may be written in cursive, neatly printed or typed. They should already be edited and free of errors.

Completed book reports are due Friday, October 25th. Please use the direction sheet and the rubric attached to help you.
