

Parent Update 4th Grade Week of July 23, 2019

WHAT'S NEW!

Welcome to 4th Grade and your first Weekly Parent Update!

We are all looking forward to our first week of School Year 2019-2020! Meeting and getting to know our new students is always so exciting! Please email or contact us anytime you have a concern. For questions, please check this update page first and if the answer isn't here, please email us!

What's Happening in our classes?

This section will contain vocabulary, spelling words, story titles and focus, math concepts and social science content to be covered for the week.

We will make every effort to post this either on Fridays or over the weekend. If you sign up for EAlerts you will be notified as soon as we post it. 😊

Just some FYI's:

[Parent Portal Instructions](#)

[Fee Payment Information \(Field trip donations\)](#) available soon! Watch for an email!

Aug. 16	• PTO Donuts for Dudes and Divas	7:45am	MPR

Please note: When you are trying to access our teacher pages on the Haley website for information, you may need to scroll down the page.

Classroom Donations Needed:

Community supply of healthy snacks. **NO NUTS for snacks in the 4th grade**, please! We have several students with severe allergies. Please help us maintain a safe environment for all of our students! Thank you!

A note from the principal~

Birthday parties are an important part of each child's life. However, student birthday parties are not held at school and balloons are not allowed in the classroom. This procedure helps to ensure that instructional time is protected and that all children are treated equally.

The school and teacher have a variety of ways for recognizing students' birthdays that do not interfere with instruction and that do not create inequities for children.

Food is often a part of school celebrations. When planning snacks for school celebrations, remember that state law requires that **no home-cooked food** be distributed to students during school hours. This practice is intended to protect students from the spread of communicable disease. Thank you for your understanding and support.

PARENTS wanting to eat lunch with your child-

Children love to have their parents bring them a special lunch from time to time. Unfortunately, our current challenge is seating space during our busy lunch schedule. We are asking for your support this year to help us with our seating challenge during lunch. Some alternatives to consider:

- 1) You are welcome to check your child out for lunch- remember they only have 40 minutes for their lunch period. 20 minutes on the playground and 20 minutes in the cafeteria.
- 2) You are welcome to drop off your child a special lunch or stay and stand behind or to the side of the lunch table. Unfortunately, we will not have a guest table this year. All tables will be used this year due to having additional sections of 3rd and 5th grade.

We sure do appreciate your understanding and cooperation! Once the new school opens next year, we should see some of space freed up so parent visits at lunchtime would be back in full swing.
