A note from the principal~

PARENTS wanting to eat lunch with your child during the school year:

Children love to have their parents bring them a special lunch from time to time.

Unfortunately, our current challenge is seating space during our busy lunch schedule. We are asking for your support this year to help us with our seating challenge during lunch.

Some alternatives to consider:

1) You are welcome to check your child out for lunch- remember they only have 40 minutes for their lunch period. 20 minutes on the playground and 20 minutes in the cafeteria.

2) You are welcome to drop off your child a special lunch or stay and stand behind or to the side of the lunch table.

Unfortunately, we will not have a guest table this year. All tables will be used this year due to having additional sections of 3rd and 5th grade. We sure do appreciate your understanding

and cooperation! Once the new school opens next year, we should see some of space freed up so parent visits at lunchtime would be back in full swing.

Birthdays

Birthday parties are an important part of each child's life. However, student birthday parties are not held at school. This policy helps to ensure that instructional time is protected and that all children are treated equally.

The school and teacher have a variety of ways for recognizing students' birthdays that do not interfere with instruction and that do not create inequities for children.

Food is often a part of school celebrations. When planning snacks for school celebrations, remember that state law requires that **no home-cooked food** be distributed to students during school hours. This practice is intended to protect students from the spread of communicable disease. Additionally, students will not be permitted to deliver treats, etc., to other classrooms to minimize disruptions. Thank you for your understanding and support.

WE ARE SO THANKFUL FOR ALL OF YOUR SUPPORT AND ALL THAT YOU DO!

THANK YOU!
