

Parent Update

4th Grade

August 19, 2019

WHAT'S NEW! Students now know their routines and procedures. We have started using our agendas daily. Please check them for homework assignments, missing assignments or messages from teachers. Check in with your student for any questions you may have about the ins and outs of 4th grade. Should you still need information, we would be happy to help you. Please email your student's homeroom teacher and the content area teacher if needed. We will get back to you as soon as possible.

- Fall Parent- Teacher Conferences will be on August 28th and 29th. Appointment times via SignUp.com have begun. All teachers have sent the link for your child's homeroom sign-up either through email or Infinite Campus Messages. IF you feel the need to conference with another one of your child's teachers, please contact them directly via email to schedule an appointment.
- Our Haley Book Fair is coming up (Aug. 23-30) If you can volunteer, please click on the link to sign up for a time. We greatly appreciate your assistance with this wonderful event! [Scholastic Book Fair](#)
- Since you have a 4th grader, you can sign up for **free admission** into ANY National Park! Start planning those trips! <https://www.everykidinapark.gov/get-your-pass>
- PLEASE, PLEASE, PLEASE, **DO NOT** remove papers from your child's folder, with the exception of those in the very back, **Leave at Home** pocket. Several students do not have materials they need in class when packets or worksheets we are in the progress of completing are removed.
- Both Think Central (the reading book) and ConnectEd are online now.
- Infinite Campus is ready to accept fieldtrip fees. We are planning our first fieldtrip, so please be sure to log in so we have sufficient funds. Thank you for your assistance with this.

A note from the principal~

We are working on our cafeteria procedures, so we are asking parents to refrain from coming in to eat with their students for the first two weeks of school.

PARENTS wanting to eat lunch with your child during the school year:

Children love to have their parents bring them a special lunch from time to time. Unfortunately, our current challenge is seating space during our busy lunch schedule. We are asking for your support this year to help us with our seating challenge during lunch.

Some alternatives to consider:

- 1) You are welcome to check your child out for lunch- remember they only have 40 minutes for their lunch period. 20 minutes on the playground and 20 minutes in the cafeteria.
- 2) You are welcome to drop off your child a special lunch or stay and stand behind or to the side of the lunch table.

Unfortunately, we will not have a guest table this year. All tables will be used this year due to having additional sections of 3rd and 5th grade. We sure do appreciate your understanding and cooperation! Once the new school opens next year, we should see some of space freed up so parent visits at lunchtime would be back in full swing.

Birthdays

Birthday parties are an important part of each child's life. However, student birthday parties are not held at school. This policy helps to ensure that instructional time is protected and that all children are treated equally.

The school and teacher have a variety of ways for recognizing students' birthdays that do not interfere with instruction and that do not create inequities for children.

Food is often a part of school celebrations. When planning snacks for school celebrations, remember that state law requires that **no home-cooked food** be distributed to students during school hours. This practice is intended to protect students from the spread of communicable disease. Additionally, students will not be permitted to deliver treats, etc., to other classrooms to minimize disruptions. Thank you for your understanding and support.
