

## Flipgrid

Mr. Morris' and Mrs. Huggins' SSS rotations are sharing one "grid". A "grid" is a "classroom".

You will need a "Flip Code" to enter our grid.

The Flip Code is: huggins8591

(I practiced with Avery, so I know it works. 😊)

I have put each student into the grid with their First name and Last initial, and your CUSD student number (s123456). Remember the "s" is lower case.

Here is a link to a quick 2:14 YouTube video showing students how to use Flipgrid.
