General Procedures

Late work:

Assignments turned in late, but not due to absence(s) will be accepted, but at half points. This is not applicable to the Supervised Agricultural Experience Project (SAE). The dues dates for the SAE project will be provided 2nd quarter and are not accepted late.

Make-up work:

It is your responsibility to pick up any missed assignments. I suggest making a good friend that you can depend on for notes, etc. Many labs will consist of materials that are available only at the time of the lab. Missed labs must be made up after school within one week. If you don't understand the assignment please ask, I am here to help you. You have two days to make up missed work; otherwise it becomes late work. And worth half points. Class time will not be used to explain missed work.

As members of the Basha High School educational community, students are expected to refrain from participating in acts of harassment that are designed to demean another student's race, gender, ethnicity, religious preference, disability or sexual orientation.
