

Fall 2022 Leadership Grade

To improve the leadership activities of our chapter and to create a better forum for sharing ideas, we have created a Leadership Grade that will be a part of the semester grade. This grade will be based on your attendance at specific leadership activities and your participation in the FFA organization.

There will be **300** (advanced students) or **200** (new students) **points required per semester** for the Leadership Grade.
