

Supervised Agricultural Experience Assignment

As part of this class, you are to work on a project that is to be completed outside of class time. The project is the supervised agricultural experiment. You will select the type of project you would like to pursue, submit it for approval and then, upon approval, begin working on it.

You are to work a total of 45 hours or earn \$150.00 over the remainder school year. Students are also asked to take pictures of their project. These will be submitted throughout the year. The project begins as soon as both the teacher and parents have given the approval. The project ends **May 8th**. All records and receipts must be turned in by this date.

Final Grades:
