Steps to Checking AR Goal Progress

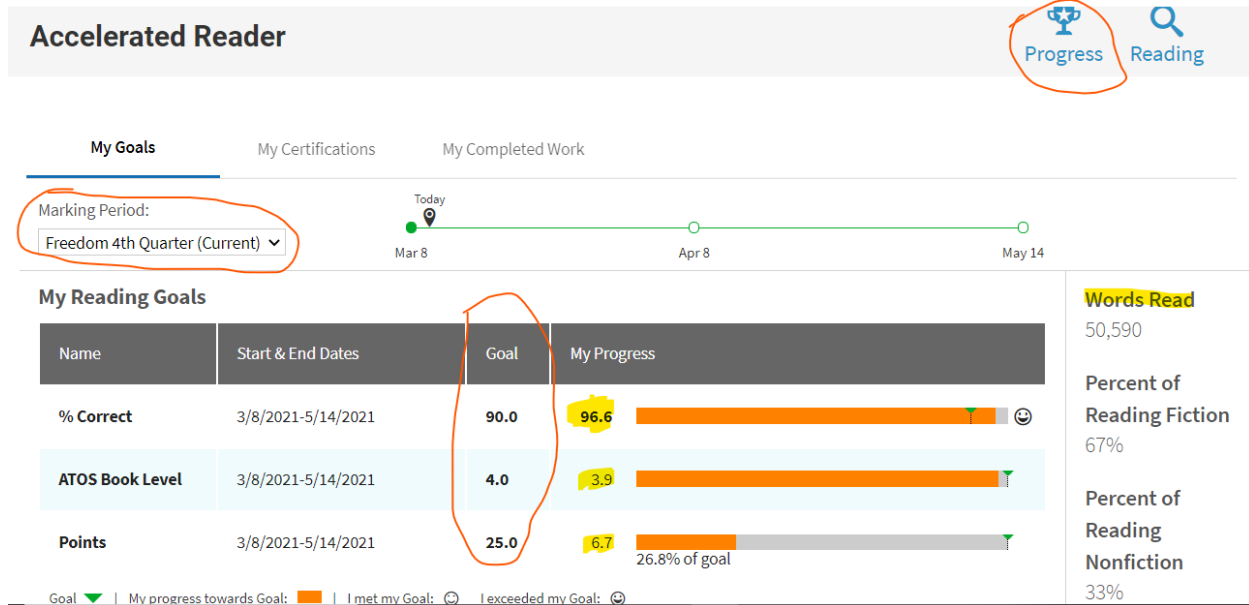

Figure 1 screen shot of Progress page on Renaissance Place

1. Open AR
2. Click on the Progress trophy icon in the top right corner
3. Select the correct marking period, using the drop down
4. Compare your progress to your goals.
5. Along the right side, you can see the number of words you have read, if you are trying to make the million words clubs!

Note: To check progress on your nonfiction points, you must click on each nonfiction book you read to ensure you scored 80% or higher and then manually add the points earned. Remember, only count nonfiction points for books you scored 80% or higher!
