- **ENROLLMENT:** Each student should review his/her transcript with their guidance counselor. After reviewing the transcript, the guidance counselor will pre-enroll students into the courses they've determined are needed for recovery or Next Step. An email listing the courses will automatically generate to the student and his/her parents. *PRE-ENROLLMENT DOES NOT GUARANTEE A SLOT IN ANY COURSE.* After receiving the email and reviewing the details, the parent/student will log into their Infinite Campus account to pay for the courses. Submitting payment for the course is the only way to secure a slot in the class. **STUDENTS ARE NOT OFFICIALLY ENROLLED IN ANY COURSE UNTIL FULL PAYMENT HAS BEEN SUBMITTED.**

Please complete the enrollment process early to ensure a space is available in the desired course.
