

Basha High School

July 21, 2014

Dear Parents and Students,

We want to welcome you back for another exciting year and if you are an incoming freshman we know the next 4 years is going to be a very exciting time in your life.

We are proud to announce our new mobile website www.supportbashahigh.com. We have built a mobile website that will give parents and students the opportunity to receive great deals from local companies. Our affiliation with QuikQpon, LLC who designed the site, is giving back 40% of the revenue to Basha High School. This gives us the ability to use that revenue to provide additional resources for classrooms and assist with extracurricular activities. We are very excited for this new program and your support is an essential part of its success.

You can access the website two ways either by going to www.supportbashahigh.com, or by using your smartphone and scanning the QR code below. New companies are becoming part of the www.supportbashahigh.com mobile website every day, so please view the site often. This will increase traffic and get more companies to become part of the Basha High School family.

We want to make this a success, but since this is a new program your feedback is very important to us. If you have any questions, comments or just some general thoughts email james@quickqpon.com.

Thank you for your support!

Thank You,

Ken James
Principal
