Parent Portal Update

There are a few new important updates about parent portal.

1. You can now reset your own password, by clicking the blue link on the sign in screen.

2. Did you know that you can pick a preferential language on the main screen?

English	~
English	
Español	
简体中文	
繁體中文	

3. Account security email. When you initially log into IC, it will prompt you to enter in a security email. This can be any email where you would like to be notified if your account has been logged into from a different computer.

Change Email	
You are required to set an account secur	rity email.
Please enter the email address that can	be used for security purposes. An email will be sent to verify the change.
New Account Security Email	
Confirm New Account Security Email	
Enter Password	
	Log Off Save

If you bypass this setting, you can always change your account settings in IC by clicking on Account Setting in the index and editing your security email.
