

Enrichment Resources for Families

Dear Chandler Unified Parents and Guardians,

During the school closure, it is our desire to provide the students of Chandler Unified School District the opportunity to continue their educational experience through enrichment resources. Below are links to resources categorized by content area and grade level for at-home enrichment in learning. Please use the list as options from which to explore and select activities of interest.

Please use Google Chrome as your browser to access the provided links.

We are currently developing options for those that do not have access to technology. More information regarding our distribution process for hard-copy instructional resources will soon be provided to our Chandler Unified families. Thank you for your partnership as we continue to focus on the safety and health of our community.

• Comprehensive Content

- [ACT Academy](#)
Grades: K-12
Description: Comprehensive Content - Individualized practice
