

FAMILY MISSION STATEMENT

August 14, 2018

We are so excited to have our first Family Challenge of the 18-19 school year. Previously, Auxier families were asked to create a Family Mission Statement. For our August challenge, we are asking families to review that mission statement and make changes that may be needed. If you were not at Auxier last year, we are asking for you to develop a Family Mission Statement. What is a Family Mission Statement you may ask? Here is a statement from Stephen Covey to help you get started.

“A family mission statement is a combined, unified expression from all family members of what your family is all about - what it is you really want to do and be - and the principles you choose to govern your family life.” -Stephen Covey

In place of your student's homework for tonight, please meet as a family to develop or review your mission statement. As a part of what Auxier has learned through the implementation of the Leader in Me, it is very beneficial to take time to reflect and discuss our previous endeavors, as well as revise as needed. If you are comfortable with your student sharing, please send a copy of your Family Mission Statement to share. We hope that this is an opportunity to bring your family together and focus on the importance of each other. Have fun!!

Here are some questions to get you started:

1. What is the purpose of our family?
2. What kinds of things do we want to do?
3. What kind of feeling do we want to have in our home?
4. What kind of relationships do we want to have with one another?
5. What are our family's priorities?
6. What are our responsibilities as family members?
7. How can we contribute to society as a family and become more service-oriented?
