He's earned all A's and B's in his tenure here at Casteel. He has done many community service hours on and off campus which include giving back to the sport by volunteering at Junior High School Cross Country and Track meets. He's also volunteered at running club practices and races for Elementary kids throughout the school district and at community running events. He has also volunteered at Trinity Air Medical, Feed my Starving Children, and Inspire and Achieve Events such as Iran4Ira and NashBash. He's been a member or DECA, a Team Captain for Cross Country, and an officer for the Cross Country and Track club.
