2018 – 2019 Casteel High School Sophomore Registration Worksheet

All registration is done via the Campus Portal of Infinite Campus. Students must log into the Campus Portal and register for courses. Directions for registration are on our website. This worksheet is to prepare the students for this online registration. Teachers are hired and the master schedule is created based on student requests. Please give careful consideration to your selections, as we will be unable to accommodate schedule changes after schedules have been created.

- Students **must** select classes to fill six (6) periods.
- Students **must** provide at least three (3) alternate choice for electives.
