

Teacher/Coach Evaluation Form

When an athlete is associated with the Casteel High School Cheer program, there are a lot of eyes throughout the year on the team. Therefore, coaches rely largely on teacher/coach recommendations since we cannot see the girls in all areas throughout the season. Each athlete interested in the program is required to receive 3 recommendations: 2 from current core classroom teachers (math, language arts, and/or science) and 1 from a coach. If applicable, this coach must be a current coach from Casteel if the athlete participated in a sport during the 2018-2019 school year. Coaches may contact teacher/coach for more information if needed.

****Note**** Fall tryouts: Athletes are required to be evaluated from 2 teachers from core classes from the previous school year as well as 1 coach evaluation.

If recommendations are not handed in, it will reflect on the athlete's score and could affect placement on a team.
