

Casteel High School Study Tips

TESTS

◆ Create Flashcards

Regular use of flashcards can and will help increase your memory for test taking.

◆ Rewrite notes from your original notes

◆ Utilize the study guides

Before every test you will receive a study guide which talks about everything that will be on it. Make good use of it!

◆ Quiz Yourself before the test

◆ Study a little bit each day

◆ Have Mom and Dad quiz you

◆ Finally, try studying with SQ3R

CLASSWORK

◆ Complete each assignment faithfully

◆ Put your name on it!

◆ Remember to turn in your best work— rewrite or retype is necessary

◆ Remember to always check the assignment calendar on the board

◆ If class time is given to work on assignments, use it wisely!

◆ If you have questions, ask!

PROJECTS

◆ Remember to be organized and don't wait until the last minute - know when you have a project due.

◆ Remember - effort counts! - Projects are graded mostly on the effort you put into them.

◆ Have a plan - Ask yourself important questions: What materials do I need? Where can I get the information? Where can I get help?

◆ Put your name on it! - Make sure everything you turn in has your name on it so that you can get the points you deserve.

QUIZZES

◆ Be prepared that quizzes are given at least once every other week

◆ Pay attention throughout the week

◆ Review the information that day when you get home

◆ Take good notes (Cornell notes)

◆ SQ3R notes

◆ Quiz yourself

CLASS PARTICIPATION

◆ It's all in the effort! - If you participate in class faithfully, you will have 100% for that part of your grade!

◆ Plan to participate in class!

◆ Be prepared for all class activities
