

Dear Bogle Parents,

The language arts department is following Chandler Unified School District's reading list. It is recommended that students purchase their own copies of the books being read this year. This will provide an opportunity for annotation and allow students to begin building their own libraries. If you cannot obtain your own copy, books are available for check out at many public libraries as well as the Bogle library. There may also be a PDF copy of the books online if you search for them. If there are any questions regarding the books listed below, please don't hesitate to contact Bogle's language arts department chairs: Neil Brewer, 7th grade department chair, and Jennifer Villalobos, 8th grade department chair.

Thank you,

Bogle Language Arts Department
