

AP students remember that all AP payments must be completed by January 25th, 2019 avoid a \$10.00 late fee

AP Test Payment Information:

Payments can be made through Infinite Campus or in person in the Bookstore as your method of payment.

Notes about payment:

- All payments go into the AP tax credit account. There are **no refunds** (state law).
- You can **pay online through Infinite Campus Parent Portal**. The amount due will show \$0- you enter the amount you owe.
- You can **pay in person in the CHS bookstore**. You must have a printed copy of your Total Registration form in order to pay.
- If you qualify for **Free/Reduced lunch fee** reduction, you must provide a copy of your verification letter at the time of payment.
- If you are taking an **AP exam for Duel Enrollment**, we will reduce the fee for that exam to half price- \$50.00.

How to pay through Infinite Campus Parent Portal:

- Log into Parent Portal (not student)
- Click link on bottom left- "InTouch HS Fee Payments"
- Select the student
- Select "Items At Student's School"
- Click on "Testing and Test Prep Fees"
- Enter the amount you owe. (The quantity can remain "1" and the total amount should be the total that this student owes).

**Note that below most items it states, "This payment may be eligible for the Arizona Income Tax Credit under Arizona Revised Statutes 43-1089.01. Please consult with your personal tax advisor to determine the application of this credit. Contributions are NONREFUNDABLE."

A parent can access their complete list of payments and can use that receipt to apply towards any tax credit rebate on Arizona Tax Forms for eligible payments.

If someone other than the parent wants to make a tax credit payment on-line to cover the AP testing fees, they should go to the main CUSD web page (www.cusd80.com) and click on the "Tax Credit" tab.
