PREVENTION AND INTERVENTION WEEK

During the week of August 21st, Officer Keipert, in cooperation with Ted Huntington from CCYSA/ICAN, set up a full week of law-related education in the fields of prevention and awareness. Topics presented to students through their Comprehensive Health and Physical Education class periods consisted of “Making Positive Choices”, “Drugs and How They Work”, “Addiction: Effects on the Person, Family, and Community”, “Negative Effects of Alcohol”, “The Power of a Positive Mindset,” with testimonials from guest speakers titled “Young People in Recovery”, “Kevin’s Walk”, and a down to earth testimonial by a young man named Tomas from the Not My Kid program. This week of classes and presentations reached over 900 Chandler students, mostly freshmen and sophomores, and received great reviews. Officer Keipert has scheduled this program again during 2nd semester for those who could not attend this semester.
