Chandler High School

Back to School Night Parent Open House Thursday, August 3, 2017

Dear Parents,

Chandler High School faculty, staff, and students welcome you to our annual Open House. We begin the evening with a general meeting and an opportunity to meet Mr. Rother, CHS Principal in the Center for the Arts at 6:00 p.m. followed by an bell schedule with time allotted to each class period..

Open House offers students and their families an opportunity to tour our beautiful campus, meet teachers and staff, become familiar with classroom learning goals, gain an understanding of teacher expectations, share contact information, and make appointments for future parent/teacher conferences.

Be sure to check out the newly renovated and modern Media Center. The space was remodeled last school year to provide a great space for collaborative learning.

Thank you for joining us tonight!

There will be news and announcements in the last 2 minutes of every class period.
