From the office of the Superintendent

April 29, 2020

To Arizona's Best,

Did you know May 10 – 16 is National Hospital Week? More than ever before, this is a year to recognize the healthcare providers who have been working under tremendous pressure to meet the needs of our community. Many are on the front lines caring for patients with COVID-19. Others are working day and night to assimilate the ever-changing data and develop plans to meet the short-term and long-term health needs of the community.

Chandler Regional and Mercy Gilbert hospitals have been caring for CUSD employees and their families for years. They partner with CUSD to provide healthcare to families without health insurance and provide services and funding for our CARE Center. They often work with employees who have high medical bill to lessen the financial burden. Their "Hello Humankindness" mantra can be seen in their holistic approach to healing – mind, body and spirit.

I am inviting the CUSD community to show our appreciation to the Chandler Regional and Mercy Gilbert healthcare staff by writing a note of appreciation. Mail your thank you cards to the address below by Tuesday, May 5th. We will collect the cards and deliver them to the hospitals for distribution. Wouldn't it be awesome if we could deliver one thousand cards to each hospital?

Lift your own spirits today with this act of kindness. It will only take a few minutes of your time. Let's show our gratitude to those who are there for us and our families.

THANK YOU HUMANKINDNESS
c/o Chandler Unified School District
1525 W. Frye Road
Chandler, AZ 85224

Warmest Regards,

Camille
