Review of the Week Before

This week we focused on our 5 senses in conjunction with our Essential Question: How do our senses help us learn about the world?

We continued to practice first sounds, as well as segmenting and blending all the sounds in a word. We learned about Sensory Words and how we use them to describe things, and also learned 3 new sight words — **you, what, are.**

For writing, we used sensory words to help us make descriptive sentences with more detail, and also practiced writing sentences with our sight words.

For Foundations, we introduced the letters E and R. Next week we will work on P and J.

In math we focused on counting and showing the numbers 11, 12, 13, 14, 15, 16, and 17.

Just one more week until Fall Break. It has been an amazing quarter so far, stay strong!
