Review of the Week Before

This week we focused on wheels in conjunction with our Essential Question: Why do people use wheels?

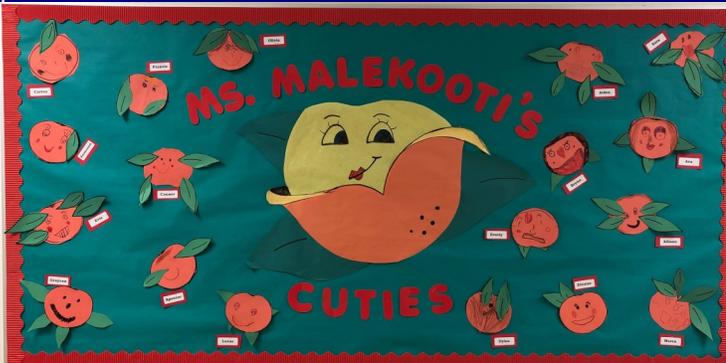

We continued to practice and review letters and sounds, as well as segmenting and blending words. We also learned about adjectives for numbers, and writing descriptive sentences.

With Foundations, we learned —**V** and **W**. We also learned 3 new sight words—**so, how, where**.

This week we also read many books about spiders, and wrote about them as well.

In math we focused on counting by ones to 50 and to 100, and also counting by tens to 100.

Next week we will continue with our Journeys curriculum, but also learn about pumpkins!

WISH LIST:

Nothing needed at this time.

Important Info:

- HW packets—have been sent home today (Friday 10/25). They are due Friday, 11/1.**
- Flashcards—Please practice Rainbow Word flashcards at home. Next week we will learn —**many, find, from**.
- Clubs—If you are signing your student up for an after-school club, please let me know!**
- Storybook Pumpkin Patch—Please see the attached flyer to my email for more details. This is a great opportunity to show creativity for October!
- Ryan's annual Veteran's Day picnic—is on Friday, 11/8 during our scheduled lunch from 11:20-11:40. You all are invited! Because our lunch time is limited, and it can be difficult to find families in the courtyard, please let me (and your student) know if you plan to not attend the picnic. I hope everyone can make it!**
- Field Trip— On Thursday, 10/31, Kinder is going to Schnepf Farms! To help your student prepare, please dress them in comfortable clothing including tennis shoes and maybe a light jacket that they can tie around their waist if needed. If possible, please have them wear Ryan shirts or colors. Also, students need to bring a **DISPOSABLE** lunch from home that day. Please label lunches and water bottles with their name. Thank you for helping us to prepare!
