Review of the Week Before

This week we focused on shapes in conjunction with our EQ: What can we create with shapes?

We continued to practice letters and sounds, as well as segmenting and blending all the sounds in a word. We learned about adjectives for size and shape and used them to help us with descriptive writing.

With Foundations, we learned two new letters —X & Y . We also learned 3 new sight word—*many, find, from*.

This week we read many books about pumpkins. We learned about their life cycle, the different kinds of pumpkins, treats made from pumpkins, and how pumpkins can be used for fun! We even investigated real pumpkins by measuring them, counting their ribs, and experimenting to see if they would sink or float. In addition, we cut our pumpkins open, cleaned out all the strands and seeds, and used the seeds to help us count by 10's.

On Thursday we went on a field trip to Schnepf Farms where we got to pick our own pumpkins. I hope everyone had a lot of fun, and thank you to our chaperones!

- Ryan's annual Veteran's Day picnic—is on Friday, 11/8 during our scheduled lunch from 11:20-11:40. Please wear red, white, and blue and join your student for lunch in our courtyard. Blankets and chairs are advised! Please set up eating areas just west of our building A, as this spot is designated for kinder. You may meet your student in our hallway as we walk out in order to show them where to go. The students will be directed to the playground for recess at 11:40 until 12. Please help your student to listen for the announcement. Also, only students will be able to purchase lunch from our cafeteria. Please provide lunch for yourself and any guests to our campus. **Because our lunch time is limited, and it can be difficult to find families in the courtyard, please let me (and your student) know if you plan to not attend the picnic.** I hope everyone can come!
