Review of the Week Before

This week we focused on animals in conjunction with our EQ: How do animals use their different body parts?

We reviewed letters and sounds. With Foundations, we are going back to the beginning of the alphabet, practicing our lower and upper-case formation, as well as building words with our letters, and tapping out words. We also learned a new word-family, -it.

We learned more about complete sentences, focusing on conventions—starting with a capital, finger spaces between words, period at the end, and proper casing. The words we learned this week were—**who, go, soon.**

In math we continued with our unit on addition .

On Thursday we had our Junior Achievement Day! Thank you to Jessica Nguyen and Susan Klingensmith for teaching us about needs vs. wants, making choices, and saving money! The kids really enjoyed it!
