## Review of the Week Before

This week we focused on holidays around the world. We read stories throughout the week about different holidays and discussed the holidays we celebrate in our homes. We created readers and even had some fun making projects.

We reviewed letters and sounds. With Foundations, we are going back to the beginning of the alphabet, practicing our lower-case and upper-case formation, as well as building words with our letters, and tapping out words. We also learned 2 new word families, -ot & -od.

The words we learned this week were—**here, they, for.**

In math we concluded our unit on addition .

This week we also spent some time working on gifts for our families. These will come home next week. I hope everyone enjoys it! We worked really hard!
