Review of the Week Before

This week we focused on the sky in conjunction with our EQ: What can we see in the sky?

We reviewed letters and sounds, specifically focusing on W, X, Y and Z as well as segmenting and blending all the sounds in a word. We learned about a new word family, -an.

We learned about the differences between statement and question sentences, specifically focusing on conventions (Starting with a capital and ending with a period for a statement). The sight words we learned this week were—**them, give, say.**

In math, we continued our unit on Subtraction, learning about the minus sign, writing subtraction sentences, and creating subtraction stories.

And probably the most important thing of all was celebrating our 100th day of school on Thursday! Congratulations to us all! To celebrate we made 100-day hats, counted to 100 by tens making fruit loop necklaces, wrote the numbers 1-100, updated our calendar and learned about the 100s place value, wrote about what we will do when we are 100, and presented our 100 items to the class. I especially loved seeing all of our 100 year old kindergarteners. The day was SO FUN!
