Review of the Week Before

This week we focused on the ocean in conjunction with our EQ: In what ways is the Atlantic Ocean special?

We reviewed letters and sounds, as well as segmenting and blending all the sounds in a word. We learned two new word families, -em and -eg.

We learned about writing a friendly letter to someone to share our thoughts and opinions, as well as focused on the structure—greeting, message, closing. We also learned three new sight words—**could, she, over**.

For grammar, we learned about a new verb tense, the future tense.

In math, we continued our unit on making and taking apart numbers larger than 10.

For science, we learned about Jacques Cousteau and what an Oceanographer is, as well as the 5 oceans.
