Review of the Week Before

This week we focused on the topic of school, in conjunction with our Essential Question: Why do we have rules at school?

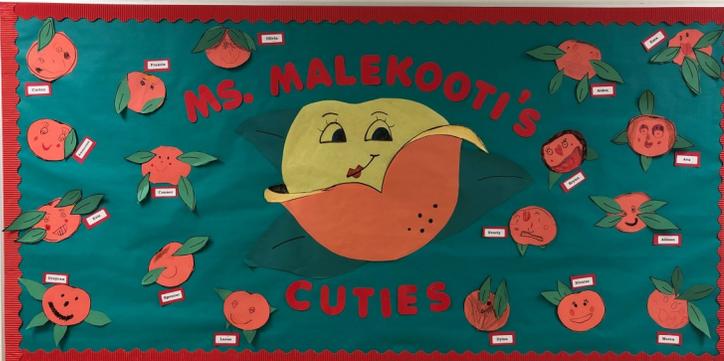

We practiced first sounds, and learned that nouns can also be words for places, in addition to people. We introduced antonyms as words that mean the opposite, and learned two new sight words - **the, and**.

For writing we practiced labeling pictures and using nouns to do it, and drew pictures to answer questions posed.

For Foundations, we introduced the letters I and U and learned about vowels vs. consonants. Next week we will work on C and O.

In math we focused on Comparing Numbers 0-5, One More and continued to practice Greater Than, Less Than, and Equal to with the symbols.

On Friday, we were able to enjoy a little Fun Friday since we completed all of our work for the week.
